Dear Uncle R' Moshe

My real point was that as you wouldn't feel good in a halbonus ponim in this issue and I would do my best for that please do the same for me and call the AJN Josh Levy on REDACTED to water it down a little saying that it's really a complex issue and they should be careful with what they write as it may not just affect myself but the whole community etc. etc. which is anyway true...

Kol Tuv!
