

240134 FILE NOTE 25 FEBRUARY 2004

MATTER: ADRIAN NISBETT

CLIENT: KNOX GRAMMAR

I attended a meeting at The Association of Independent Schools.

Present: Grahame Mapp (Chairperson of Knox Council), John Weeks (Headmaster), John Cameron (Finance Director), Terry Chapman (Executive Director, AIS) and Geoff Newcombe (Director: Governance, AIS).

They advised that, during the new Headmaster's discussions with senior staff regarding outcomes from the investigation I conducted at the end of 2003, information regarding possible allegations of child abuse against Adrian Nisbett dating back to the '80s had been received.

Advice has been taken from the NSW Ombudsman.

I am instructed to conduct a further investigation relating to these possible allegations.

The Headmaster will inform Mr Nisbett today of the investigation. He is going to offer Mr Nisbett alternative duties or paid leave during the investigation.

Apart from people identified in the two documents provided to me today, other people who may have knowledge of this matter are Norrie Cannon (current employee) and Ross Godfrey (Chaplain at the time.)
