Mr. A Nisbett

REDACTED

Dear Adrian,

Thank you for meeting with me to discuss the findings of Grahame Wilson's report. I know that this has been a very worrying time for you. I appreciated the professional way you approached the matter.

From our discussions I understand that while you reject the findings of Mr. Wilson's report that you will not undertake a time consuming and costly challenge to these.

These preliminary findings of Mr. Wilson, now become those of the School and I have informed the Ombudsman this and that you will finish teaching at Knox on 18 June. I am also bound to inform the Commission for Children of the matter and a copy of this notification is provided to you.

Yours sincerely,

John W. Weeks  
Headmaster
