

REDACTED

DR I. W. PATERSON  
HEADMASTER  
KNOX GRAMMAR SCHOOL  
PACIFIC HIGHWAY  
WAHROONGA 2076

26 JUNE, 1989

My dear Headmaster,

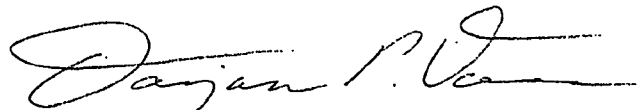

Before I departed from KNOX in late FEBRUARY, I neglected to request from you a statement of service. I do not imply a reference as you are probably unwilling to tender one.

However, to cover a blank period from JANUARY 1985 to FEBRUARY 1989, I should like simply a piece of paper to certify that I was employed by you.

I trust that cadets, the boarding house and everything else are turning out as you would want them.

Thanking you in advance,

Yours sincerely,

(DAMIEN PIERS VANCE)
