HEADMASTER'S REPORT TO COUNCIL

12th March, 1989

Staff Damien Vance has left Knox Grammar School for Melbourne and home. Verbal report.

Manoj Handa has been appointed to the end of this term to fill the vacancy. M.A. (English), B. Sc. from Indian Universities. Has been University Lecturer in India. Dip.Ed. last year from Newcastle CAE. Impressing "tidy" teacher - meticulously prepared.

7 Woodville Avenue Works Committee will recommend this be used for Administration. Can Adrian Nisbett pick up the work with lawyers, Dusty Ireland and Craig Miller and Kuringai Council - be the School liaison man as he did with "Kooyong"?

Specification for Woodville As attached. Preliminary for your comments.

Incorporation I attach copy of updated draft from Dusty & David. This supersedes the earlier draft sent to you a little while ago.

Anniversary Year This is the School's 65th year. We plan to Commemorate the occasion on Friday 19 May at School Assembly. We would want the Prep. & Senior School together in the P.E. Centre. We would hope Council members could come. 8:25 a.m. at School start.

WICAT System Maybe it is too early for any certainties but those boys marked as needing Remedial help and working them through the WICAT programme since 1987 have shown:

	1987	1988	1989
4	31	24	22
5	41	26	19
6	<u>10</u>	<u>14</u>	<u>9</u>
	82	64	50
	26%	20%	16%

In other words, there has been an apparent 10% reduction in boys needing Remedial help as they've come through the WICAT system.

Coming Events

Sports Day Saturday next.
Church Service Sunday at 9:30 a.m. in Chapel.
