**Subject:** Name and details for Headmaster

Hi Jan,

As requested by John, here are details of the discussions we had.

In 1992 I had a [REDACTED] in my class. As mentioned [REDACTED] was vulnerable type of child. I became greatly concerned by an 'unhealthy' relationship between Mr Stewart and [REDACTED]. This related to Mr Stewart calling the boy to be his constant companion around the Music Room. My concerns were further raised when Mr Stewart began taking the boy out of the school grounds to lunch. At this point I alerted the Head of the Prep about my concerns. I was not aware of any action that took place to investigate or address these concerns.

Wishing you well in these extremely difficult times.

With kind regards  
 Neil
