Mr. Adrian Nisbett,
Ewan House,
Knox Grammar School,
Billyard Avenue,
WAHROONGA 2076

Dear Adrian,

This will confirm your new status at Knox. You have left Ewan House as Senior Housemaster and retired from Yearmaster. Each carried an allowance of \$2000 and \$1500 respectively. I am prepared to continue these allowances for you provided, of course, we get a similar response! Might I suggest that you take sport without its allowance, summer and winter, and that you retain responsibility for the Grammarian, and that you be a 'back-up' to me in administrative matters where appropriate and sensible. In these ways, I feel totally confident that you will 'earn' the allowances now not really legitimately yours to have. How does this proposal meet with your thoughts?

Compliments of the Season!

Thanks for much good work again this year.

Yours sincerely,

(Dr.) Ian Paterson
Headmaster
