MEMO TO: Staff Committee

Dr. J. White
Rev. L. Finlay
Prof. B. Mansfield

A note on Damien Vance whom I discussed with you at the last Staff Committee meeting. I've had a counselling session with him - he is very keen to stay at Knox and he is prepared to hold himself in check. He has spoken with his Subject Heads and satisfied them of his good intentions too. I'm prepared to let him run another year, provided there are no more incidents. He has done an excellent job in the Cadet Unit, in Degotardi's absence.

This, to keep you informed.

Headmaster
