

File note re-meeting with [ARH] MAY 26 '00.

re - concern about the nature of the relationship between [ARH] and Year 7 student [ASW];

- 1. Started by indicating that I was concerned about [ARH]'s relation with [ASW].

1 m) . it would be my intention to give [ARH] a letter relating to this relationship at the end of the meeting; if appropriate - re - see the meeting notes.

Q. from [ARH] relating to the nature of my concerns

- 2 m) I outline the issues of:
 - too much contact
 - too frequently
 - harsh
 - e-mail.

• Asked [ARH] to respond.

[ARH] defended actions as being approp. in the light of his conversation with me last year & his contact with the father "it would be good to break contact completely"

• Informed [ARH] that the key issue was my concern that he had infringed appropriate professional standards for a teacher

• the issue was my perception NOT the words of the parents

• that [ARH] had a professional responsibility to reflect on my concerns and his present relationships

• I had a duty to bring this to his attention
