From the Headmaster

Munday

ARH

I really feel the issue has been 'aired' well - no longer a behind the scenes gossip. In getting to this stage it is now possible to put all behind us and for you to move on confident about agendas.

You have managed it all very well - I believe the rumours have been unfructed and the gossips stopped.

Let's all move on! I saw the same irony you mentioned.

Regards,  
Peter.
