13th December 1998Mr Nick Williams
Gillespie House

Dear Nick

I note your regret for your letter of resignation from Gillespie House and other letters.

To clarify the situation, you will continue as a Resident Master in Gillespie as from 18th January 1998, on probation. We shall review your position in late March 1998, particularly noting your need to control your frustrations and to maintain an adult calm among the boys.

With good wishes for 1998

Yours sincerely

(Dr) I. Paterson
