Mr Nick Williams
Gillespie House

Dear

I am responding to your visit to my home on Sunday 8 November last. Mr Cannon had my authority to write to you on 31 October 1997 to advise you that you were not to have boys from Gilmore House in your room; and you were not to take them out in your car without Mr Cannon's permission; and you were not to enter boys' areas in Gilmore House.

I reminded you on Sunday that you were a Gillespie resident (Year 10 boys) and that you had no jurisdiction over boys in any other House.

Please follow our instructions absolutely to the end-of-term when you will be leaving as advised already.

Yours sincerely

(Dr) Ian Paterson AM
