Dear Rex

Sorry for the continued correspondence – but I am getting more concerned about the boarding issues I have recently discussed with you.

I still seem to be a personal secretary and have been called in to do administrative work even when I was meant to be on duty last week.

If possible, I would like to be moved to another boarding house at the first possible instance. My preference would be Gilmore as I have a great relationship with Phil & Alison Harmer. Andrew Mansfield (current Gilmore Resident) may be interested in a transfer (being the last in), but I have not spoken to him. Could we possibly discuss my options?

I appreciate your confidentiality in these matters and thank you for your time recently.

Yours sincerely

Nick Williams
