

Concerned by attitude ^{expressed} in Williams in letter attached

This letter was in response to the letter I sent him
You will recall I discussed the issue of Nick
doing duties in Culmore all time - ~~convincing~~ trying
to do Carolyn's job. We resolved

you wrote to Carolyn
I wrote to Nick given his failure to follow
verbal instructions on 2 previous occasions.

FACTS

Nick is ~~Mahdi~~ came to us thru Mahdi Deaton
(he is her half brother).

You spoke to **REDACTED** HR as Nick employed at **REDACTED**
He said watch him strong follower of younger boys.

Nick experienced normal pr as inexperienced &
over-enthusiastic resident.

item 2.
However falling clash with Higgins as result of
Mahdi expressing concern re lack Culmore resident leads
& friendships with Holmes became very involved
Culmore => great satisfaction from helping little kids
+ they ~~respected~~ ^{encouraged} him
Carolyn also embraced ^{+ encouraged} his involvement
after counsel for Holmes

In term 3 I told Nick he should not be involved
Culmore as undermining his authority in Cullespie
House - this worked for few who.
(see Eaton letter).

Term 3 his involvement resurfaced - cover for
Kacyman - **REDACTED** a then take boys to Stone
rugby games then back to Garden Rugby with
Carolyns permission

I met with Nick & told him not be involved
with Culmore boys not go to house late Sat Nite
when he returned
(followed by letter).

End term

~~Term 3~~ Term 4.

fireworks at Puncelle School - no party so came
home Also took Culmore boys to his
Cullespie to look for lost wallet a then to
serve for slushie near watchy TV initially
with 2 Culm + then on own

Following this incident.
