

26/10/98.

Dear Dr Paterson,

Re Nick Williams
Beach Excursion (Sun 25th)

For the record.

Nick was not on duty on the weekend, however, he offered to take several boys to the beach. (Sunday 100pm)

He claims he was unable to reach me on the mobile & so he took the boys without permission.

I phoned him & asked me to contact ~~him~~ ^{me} immediately via his voice mail.

He saw me when he returned & I explained to him he should not take boys without permission - If he can't reach me he should not take the boys.

Nick became loud + abusive + walked off.

He had 2 boys with him
at Lu's for Dinner too?

(Boys involved => REDACTED)

REDACTED + Williams were

given leave to go to Wahroonga Shops by accident
This was OK but they had

arranged (my understanding) to meet Nick Williams for a Chinese Meal. - this was never stated by the boys.
