That is not what I was advised and furthermore I have been instructed not to have any further contact with you.

Dear Norrie

I hope you had a great Christmas and have prosperous new year..

I am currently on holidays and will return to Gillespie at the end of January where I have been formally advised I will resume resident master duties for Term's 1 & 2 of 1999.

I look forward to this, and hope to put any misunderstanding's behind us to date and continue to provide excellent supervision to the new Year 10 boarders.

Regards

Nick
