Dear Dr Paterson

As a result of the current issues being raised, I feel and have been made to feel extremely uncomfortable under Norrie's supervision.

I asked the Deputy Headmaster, Mr Ward, if I could change houses at least from the duty aspect to prevent further intimidation. I am aware as you pointed out that the correspondence sent to the Deputy by me has been forwarded to you and I wish to follow it up.

Norrie asked me during Prep what was discussed at the meeting I had with you yesterday afternoon.

Yours sincerely

Nick Williams
