Mr Nick Williams
Resident Staff

Dear Nick

I draw to your attention three further causes for concern about your duty responsibilities.

1. It is not appropriate to punish all boys for offences by several. You cancelled late Prep. last Thursday after an altercation with REDAC and belief that other boys were misbehaving in Prep. 'Good' boys were hence prevented from late Prep. This is not appropriate nor fair.
2. You are not permitted to swim with the boys when you are on duty in the Swimming Pool – the Housemaster's instructions are totally clear on this matter.
3. As you now work fulltime (good!) you are having real difficulty in doing duty on Fridays which imposes a problem for others who have to make up.

I bring these matters to your attention for immediate correction please, for the first two.

Yours sincerely
