Dear Const Madsen,

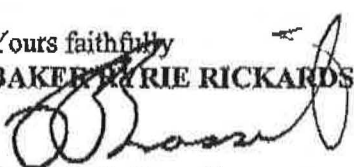

RE: GRANT DAVIES & SEIZURE OF PROPERTY

We refer to previous communications regarding this matter and a note that the league proceedings adjourned for further mention at Parramatta Local Court on Tuesday 29 May 2007.

We advise that if any decision is made to retain or seize any of the devices storing electronic data, then our client seeks your cooperation in enabling him to obtain a copy of the data relating to his two businesses. This will enable him to comply with his obligations regarding payment of GST, workers compensation and insurances in relation to his businesses.

Kindly confirm that you will be in a position to attend to this arrangement. We look forward to hearing from you in this regard.

Yours faithfully
