

15/8/13

11am - met with <sup>EAE</sup> <sup>EAG</sup>  
Dep Head + Andrew Mansfield

Reviewed recent concerns with <sup>CLC</sup>  
 heavy fire drill on last Tuesday  
 evening. Parents were obviously upset with  
 an event which was alleged to have  
 taken place at this year's Camp Camp  
 (Second night).

Andrew Mansfield & myself  
 interviewed <sup>CLC</sup> to try & get a  
 better understanding of the situation  
 from his perspective.

On the second night boys were in  
 their tents - <sup>CLC</sup> was with <sup>REDACTED</sup>  
<sup>REDACTED</sup> <sup>DFE</sup> <sup>CLC</sup> was lying  
 on the ground in his sleeping bag  
 & both <sup>REDACTED</sup> <sup>DFE</sup> were in hammocks  
 above & on either side of <sup>CLC</sup>

There had been some discussion near  
 night & previously about 'bush bears'  
<sup>CLC</sup> - says he was lying face down  
 in his sleeping bag (coloured red/black)  
 shoulders & head outside the bag  
 when at some point a nearby boy  
<sup>REDACTED</sup> called out '  
 did you just get fished on?'  
<sup>REDACTED</sup> yesterday told us  
 he said at one point 'that's disgusting'.

CLC got out of his S.bag after [REDACTED] had said this - noticed - a mark, pool of something on his bag - he immediately found four baby wipes & began to try & clean it up. CLC said a light / torch was on - CLC said there was no additional comments from either DFE or [REDACTED]

CLC threw the wipes away - got back into his sleeping bag & went back to sleep.

There was no discussion until the next morning when before long the whole plt had word that CLC had masturbated on

This was the clear impression others had & boys began to make comments to CLC about being a 'cum rag' & 'cum dumpster'.

There was no mention of the stain on his sleeping bag as being condensation with CLC - has been told as recently in an apology yesterday that he was sorry & it was condensation with that is supplied in ration packs.

There was no intervention from senior boys in the platoon to stop these comments.

It now seems apparent that comments have been floating about within [REDACTED] ever since - leading up to the events of Tuesday night on the comment made by [REDACTED] (see attached notes).

CLC was not sure if DFE was just joking - but then seems to have been no attempt from DFE to say it was anything but a comment out CLC comment that DFE didn't have a shirt on - he wasn't sure if he was fully clothed.

CLC - found he was wearing with DFE ?

CLC has since fallen out with [REDACTED] [REDACTED] [REDACTED] (Seem to have resulted from this matter)

Remains friendly with [REDACTED] [REDACTED]

As a minimum CLC wants an apology from DFE

CLC There was an SMS from DFE that has since wiped ?

This meeting concluded & we thanked  
CLC for assisting.

He left the school with her parents -  
they now live in [REDACTED] or  
returned home - the plan is for  
him to come back into boarding Sunday  
night.

We briefed Dr Perry. /

I think <sup>CLC</sup> just wants him to  
all go away - he is very concerned  
about potential fallout.
