

Interview with [REDACTED]

Present: Dr AM Parry, Mr GK James, [REDACTED]

[REDACTED] heard [REDACTED] DFE and CLC talking.

Heard CLC shout 'Yuk' (in a loud voice).

Laughing at what DFE did to CLC - 'Where he masturbated on to his sleeping bag'.

[REDACTED] was saying 'Did you actually do it?' to DFE

DFE said 'yes'.

Did CLC say anything else?

How did you know it happened?

'I could hear them talking' then CLC said 'yuk'.

Next Morning

Did not hear the boys talk about it very much.

A lot of boys knew about it by the end of camp.

Trash talking towards CLC
