**Present:** EAE and EAG [REDACTED], Dr AM Parry, Mr AS Mansfield, Mr GK James  
CLC

CLC said to his mother (over the phone on the Tuesday night to mum):

DFE pulled himself off and came on his sleeping bag'.

CLC was in his own sleeping bag.

Yesterday, 14 August, he was informed for the first time that this was condensed milk.

CLC has been apologised to by DFE since this had happened.

CLC has suffered and struggled with the shame of this.
