Yep. We need to talk further about this. REDACTED mentioned he was being bullied by CLC in our appointment this morning. Off the top of my head, I would like to meet re this, and to then see CLC before he has a visit to Tim Hawkes. Please keep the note safe, Andrew.

When do you have time to meet on Thursday?
regards,
Cath

Cath/Greg,

I left a message on your phone today.

George Lyall found a post-it note in CLC Diary today which said:

REDACTED you have no mates. so you go die. like its prep time so just shut up you faggot. your not 7/12 aboriginal so shut you gay fag. go vibrate your balls!

I have the note with me and am happy to bring it down to discuss.

Regards,
Andrew
