

BETHCAR ABORIGINAL CHILDREN'S HOME, BREWARRINA

Following discussions between Departmental staff and Mr. and Mrs. Bert and Edie Gordon, it has been agreed that Bethcar Aboriginal Children's Home at Brewarrina will not receive any further admissions, either on a short-term crisis basis, or for longer-term placement.

This decision has been reached because of the advancing age of Mr. and Mrs. Gordon, and because of Mrs. Gordon's recent prolonged ill-health. In addition, Bethcar is full to licensing capacity, and there have been no vacancies for some time.

If there are any queries about these arrangements, which are effective immediately, please phone Anne Dimech or Eric Hilt at Brewarrina Community Welfare Office, or Bruce Foat at Western Regional Office.
