Discussed matters of concern with R.D.O Anne Dimech on 6.10.83.

In respect of Leonie Knight (allegation of sexual abuse) Leonie is to be interviewed by myself and R.D.O in Bourke on 7.10.83, if available for interview.

R.D.O is to prepare a report on each of the children in care in Bethcar and is to advise Mr. Bert Gordon that this information is to be provided so that effective case plan can be made and implemented.

In respect of physical aspects of care, R.D.O is to provide a detailed report on matters of concern, covering age and health of the Gordons, who would continue to care for children in the event of the Gordons inability to do so, sleeping arrangement, and material suitability fo the premises.

Operations Manager is to prepare a bulletin article stating that Bethcar is full to capacity and that no further referrals are to be made until further notice.
