Brief Description: [ATZ]

REDACTED

Thursday 16/4/09, police spoke with [ATZ] who informed them he attended Knox from 1987 year 7 till 1992 year 12 during which time he was a boarder.

[ATZ] stated that he was not a victim and does not recall watching pornographic movies in TRELAORS rooms, but heard rumours that other students did.

[ATZ] stated that a friend of his [ARA] told him that TRELAOR asked boys to masturbate in front of him and asked them to masturbate him, but he can not recall any names.

[ATZ] recalls an incident when he was in year 8 1988 when an intruder came into the dorm and fondled [ARA] on the backside and [ARN] on the testicles. There is no proof to suggest that FOTIS was responsible for this, but [ATZ] believes it was as FOTIS was very friendly towards [ARN]. He recalls that the headmaster Dr Ian PATTERSON spoke to them about it and said that the intruder was a local person who was mentally disturbed and who was know to police.

[ATZ] is willing to make a statement, but due to his knowledge being based on rumours and speculation, police will not be obtaining one.
