Product Type: TEXT DOCUMENTS: Investigators Note
Date of Note: 23 Feb 2009
Brief Description: On Monday 23 February 2009, DSC COSGROVE followed up a telephone made to Police from [ATW] in relation to his son [ATS].

Investigators obtained a statement from [ATS] in which detailed alleges that he was sexually assaulted (anal penetrated) by Craig TRELOAR, whilst a student of the Knox Preparatory school.

[ATW] is the first complainant in the matter of his son [ATS]. Whilst living in Queensland in 2007, the disclosure was made to him by his son. After the disclosure was made by his son, [ATW] alleges that he contacted an organisation known as 'C & H.N.S' in Southport, Queensland to report the matter. [ATW] claims that he was referred to the equivalent to NSW DOC's (Possibly the Queensland Child Services) at their Southport office. In order to corroborate [ATW] claims Investigators are seeking by consent to obtain any such Queensland Health Services records which record or detail any such disclosure.

[ATW] alleged that he was employed as a Teacher at Knox during the periods of January 1997 to Mid 2003, when he resigned. [ATS] detailed that his son [ATS] was a student at Knox Preparatory School from Year 5 until the middle of Year 6. [ATW] alleges that he noticed a considerable change in his son's behaviour during the July school holidays when he was in Year 6. [ATW] claimed that Craig TRELOAR did not actually teach his son. [ATW] claims that he became dissatisfied with his son's actual Teacher, Mr [ASJ]. [ATW] alleged that he instigated a civil action against the school for 'not providing a safe environment & breach of contract in relation to the level of education being provided'. [ATW] claimed that he had to withdraw the civil action due to financial reasons. [ATW] claimed that the school challenged every avenue of this claim to the point he could not afford to go on with the claim.

[ATW] is only available weekends due to work commitments to provide a statement.
