<p>mentions [REDACTED] A similar offence took place allegedly in March of 1992. The child has been removed from the school and is undergoing counselling.</p> <p>There is little doubt that an offence took place, but no Police action will be taken due to the following reasons:</p> <ol style="list-style-type: none"> <li>1. The mental age of the victim.</li> <li>2. The mental age of the offender/s</li> <li>3. The inability of the offenders to realise what they were doing was wrong.</li> </ol> <p>It is for these reasons, that although the offence did exist, it must be rejected due to the virtual impossibility of achieving a conviction.</p>
