Dear Sirs

Re: AGN v Northside Christian Centre & Anor
 Hayes v Northside Christian Centre & Anor

We write in regards to writs forwarded to this office concerning the above matters.

We note from the information contained in the writs that in respect to the AGN claim the allegations span the period 1987, 88 to 1989 and in the Hayes matter 1986,87 to 1988.

The policy period for the Assemblies of God in Australia was from 31/3/1987 to 31/3/1989 under policy 52 4658143 LIA and for the period 31/3/1989 to 31/3/1992 under policy number 52 4661790 LIA formerly written by GRE Insurance Limited. As such a proportion (or all) of the Hayes matter falls outside Zurich's period of risk.

We also note from the allegations made in those writs that similar incidents were reported to you in 1985 and late 1986 well prior to the inception date of the earlier policy.

Regardless of the above as both policies contain a child molestation exclusion from inception this letter is to advise that we are unable to indemnify Northside Christian Centre for these or any similar matters which may arise in future.

We enclose a copy of the exclusion for your information

Yours faithfully

Noel Bird
