DPP v George Parker – Case No. 2012490

We acknowledge receipt of your letter of 2 August, 2001. We advise as follows:

1. We understand The Guild of the Servants of the Sanctuary provided a forum for those who assisted in the Sanctuary to have a time of fellowship together, to participate in a communion service together and then to have breakfast together. We understand there may have been an element of training or instruction in how to serve at church services.
2. We understand that Meetings were generally on a Saturday morning and would have been held at various participating churches, presumably on a roster basis.
3. We are not aware of the status of the Guild. We cannot find any evidence that it was a part of the Diocesan structure. We are therefore not aware of any records of when and where services or meetings may have been held.

Yours faithfully

Peter W Mitchell
 Registrar
