 P/C to [REDACTED] re his knowledge of dates:

1. [REDACTED] on holidays today (can't speak to him)

Much stated:

1. Initially [REDACTED] was the 'OIC' - [REDACTED] believes [REDACTED] rang the presbytery at Gateshead shortly after the complaint by [REDACTED] CKA was made. He spoke to some there who stated they couldn't find records of when GP was at Gateshead; [REDACTED] said / asked did it've been 74, They said could be right. [REDACTED] asked where is GP now? Told Ararat.

- (2) [REDACTED] rang Diocese for exact records - told [REDACTED] didn't have any left it at that - [REDACTED] had said he was told GP was likely or could've been at G in 74, [REDACTED] framed charge to cover 1974

- (3) Contl hearing

- (4) CKA Internet enquiry confirmed by def letter - 1975.

- never sought HM to refuse  
amendment post Bala

REDACTED stated after the trial was adj. on 13/8/01, he rang The Diocese or DPPP request for details of when GP at Gateshead - REDACTED stated he was told 75 was probably correct.

REDACTED stated ∴ of the age of the matter he was not surprised to be told news didn't exist ~~there~~ ∴ he took it no further believing it to be a useless exercise.

REDACTED stated all he wanted was a doc to effect GP at @ b/w - & - with the internet eng. confirmed by the defence letter, this is what the present had... Thus, he was of view the relevant newsy contract had been given.

not any news  
 sought discharge,
