RE: Biles

My view is that the Notice of Motion should be filed and served in sufficient time to enable it to be returnable on 20 Feb without the need to seek an order abridging the time for service, whether we have received a reply to our letter or not.

I advise that the advice of the Crown Solicitor and counsel has been accepted by the Department and the application will proceed.

I will send the letter to the plaintiff's solicitors today. How long do we wait for objections and/or before we file the application. I would suggest we file it sooner rather than later. Whats your view?
