I refer to my e-mail to Counsel on 7 February, following which Mr Woods settled a draft letter to be forwarded to the Women's Legal Services in reply to their objection to our proposed motion. That letter was subsequently faxed to the Women's Legal Services. At the same time, a copy of that letter was forwarded to Bell & Johnson, solicitors acting for two of the 15 plaintiffs, and they were also requested to advise what, if any further evidence, they wanted to adduce and how long it would take.

I have now received a reply from Bell & Johnson.

I enclose copies of my letter to Bell & Johnson faxed on 7 February, together with a copy of their reply received by facsimile today. I also enclose a draft reply to Bell & Johnson for Counsel to settle.

I look forward to Counsel's reply.
