Dear Dr. Hungerford,

Re: Terry Kirkpatrick. Unit No. 04 35 02.
(C.J. CUMMINS UNIT)

Thank you for your letter of May 18th and the enclosed copy of the psychologists report.

I notice Mr. Simpsons interest in the boy and write to enquire whether he would prefer to manage this boys 'play therapy' within the framework of his wider medical need and treatment, or whether this should now be arranged at this centre.

I will await your advice before making any further arrangement.

With thanks,

Yours sincerely,

Owen Spencer
