Mr. S. Kirkpatrick,
REDACTED

Dear Mr. Kirkpatrick,

Thank you for your telephone calls about Terry. With children who suffer from emotional asthma it is a very good sign when they become angry with their therapist, and from your account Terry is quite angry with me at the moment. I feel it is most important that I keep in touch with you and I do particularly want to see either you or your wife fairly soon. Would you please call me on 43-0411, Ext. 2026 for an appointment.

Yours faithfully,

(S.F. STEART)
Psychologist.
