File No.: C.17591(2)

Circular No.: 81/285

Issued: 16 September 1981

(Distributed in accordance with Circular List/s A. B. C. D. F. J. K.)

Workshop: Child Abuse and Children-at-Risk
Training Programme, to be held at Inner
Metropolitan Regional Centre; 4-6 November 1981.

Following the success of two previous Workshops this year, the Inner Metropolitan Health Region is coordinating another Workshop to be held on 4-6 November 1981, for approximately 20 participants.

The Workshop has been designed to meet the needs of educators in the area of child abuse and children at risk. It aims to:

1. assist educators in their understanding of the current level of knowledge and management of child abuse;
2. familiarise educators with the available training material;
3. provide educators with an opportunity to understand the legal processes for child protection.

There will be no registration fee and accommodation may be available at Rozelle Hospital for country participants.

The Commission has approved the attendance at the Workshop of Nurse Educators, Clinical Instructors and Health Education Officers, who will be regarded as being "on duty". In the case of country participants, the Commission has approved the payment of travelling expenses and daily sustenance allowance unless accommodation is provided at Rozelle Hospital, in which case actual accommodation expenses charged by the Hospital should be reimbursed in lieu of sustenance allowance.
