3-DAY WORKSHOP: CHILD ABUSE AND CHILDREN AT RISK
TRAINING PROGRAMME - INNER METROPOLITAN HEALTH
REGION, 24 - 26 FEBRUARY, 1982.

In conjunction with the Department of Youth and Community Services, the Inner Metropolitan Health Region will hold a further "Child Protection" Workshop at Rozelle, Sydney, on the specified dates.

There is no registration fee for participants, and accommodation may be available at Rozelle Hospital for staff from non-metropolitan regions.

The Commission, subject to the concurrence of Regional Directors and the approval of Hospital Boards in respect of 2nd/3rd Schedule hospital employees, has approved the attendance at the Workshop of nurse educators, clinical instructors and health education officers, who will be regarded as being "on duty". In the case of country participants, Regional Directors and Hospital Boards may approve the payment of travelling expenses and a daily sustenance allowance unless accommodation is provided at Rozelle Hospital - in this case the actual accommodation charge levied by the Hospital should be reimbursed in lieu of sustenance allowance.

All enquiries about the Workshop should be directed to:

Mr. John Gavaghan,
Coordinator of Regional Child Abuse Programmes,
Inner Metropolitan Regional Office,
ROZELLE.

Telephone: (02) 827-0200

Attendance of staff should be arranged through Mr. Gavaghan by 12 February, 1982.

K.R. BROWN,
Secretary.
