23/4/05		<p>At C'wood. Very emotional and upset. The company are not doing very well and the MD is blaming Paul for not preventing this.</p> <p>Discussed. He appeared so stressed I suggested he see his Dr and go off with for a while.</p> <p>I suggested he go there now. He agreed.</p> <p>Later phone call from G1 Dr. Mackway - he was very concerned and said he would support Paul in any way he could. Dr. Mackway said to let him know if there was anything he could do.</p>
