✓ Sets out roles and responsibilities of staff in relation to child protection including training, reporting on safety, and supporting children and young people, as well as monitoring, evaluation and reporting requirements.

1. Objectives - Policy statement

- 1.1 Education has an important role to support children and young people and to identify where problems arise that may put their safety, welfare or wellbeing at risk.
- 1.2 All staff have a responsibility to report risk of harm concerns about children and young people, within their roles, and to provide support to children and young people.
- 1.3 Child protection reforms introduce an obligation for government and non-government agencies to coordinate decision making and delivery of services.

2. Audience and applicability

- 2.1 All departmental employees, including those in state offices, schools, TAFE NSW, Adult Migrant English Service, Adult and Community Education and State Training Services.

3. Context

- 3.1 The NSW Government recognises that care and protection for children and young people is a shared responsibility. It begins with parents, but when government support becomes necessary, it is not the sole responsibility of community services but a collective responsibility.

Keep Them Safe: A shared approach to child wellbeing provides the framework for parents, communities, government and non-government agencies to work together to support children and families.

3.2 Legislation

- 3.2.1 Children and Young Persons (Care and Protection) Act 1998; Crimes Act 1900, Privacy and Personal Information Protection Act 1998

Other relevant legislation:

Privacy And Personal Information Protection Act 1998; Health Records And Information Privacy Act 2002; Commission for Children and Young People Act 1998; Ombudsman Act 1974, Education Act 1990

This applies to all staff including non-teaching staff, part-time, temporary and casual staff.
- 5.2 A record is to be kept of reports to Community Services as confirmation that mandatory reporting requirements have been met. The report reference number should be recorded.
- 5.3 The record and related papers are to be retained by principals or workplace managers in secure storage and kept confidential. These records are to be provided to any successor.
- 5.4 Where a reference number has been provided by the Child Wellbeing Unit it must be recorded and kept.
- 5.5 If serious safety issues remain after a report has been made to, and accepted by, Community Services, principals or workplace managers will refer the matter to the departmental regional officer responsible for student services so the case can be taken up at a senior level within Community Services.
