Dear Carolyn

In November 2010 your office imposed **CONDITIONS ON CHILDRENS SERVICE LICENSE** on my children's service license. This stemmed from a police investigation of one of my staff members (and my father), CDM.

On 8 May 2012 the Office of the Director of Public Prosecutions notified us that "there be no further proceedings in this matter". We therefore request that ALL conditions be removed from my license.

CDM was forced into retirement in November 2010 after the allegations and he does not wish to reprise his role of Child Care Centre Cook. However, as CDM has a financial investment in the building both he and myself are applying to your office to lift the license conditions so CDM can return to the weekend maintenance role that he was carrying out prior to November 2010. This role involved CDM attending the centre after hours to carry out general maintenance and repairs on the building, carpark and play areas.

Yours sincerely,

CHD
