I refer to your correspondence of 17 November 2010 in relation to the arrest of a man on charges of indecent assault of a four year old girl at [REDACTED] CEG located at [REDACTED] CEG

The Department of Community Services (DoCS) is responsible for the regulation, licensing and monitoring of children's services in NSW under the provisions of the *Children and Young Persons (Care and Protection) Act 1998*. The service has a current licence which is due to expire on 30 September 2013.

The Children's Services Directorate has imposed conditions on the service to ensure that the alleged suspect is excluded from the service. The Agency is not currently able to provide any other information regarding the service as there is an ongoing police investigation in place. The Agency will commence inquiries in relation to the *Children's Services Regulation 2004* once the police have concluded their investigation.

Should you require further information please contact Kathy Langley, A/Children's Services Team Leader Metro Central South on 02 [REDACTED]

Yours sincerely
