Departmental Transfers

In confirmation of previous verbal advice, approval has been given for the following transfers to take place. An advice regarding your pending transfer has been forwarded under separate cover.

<u>Officer</u>	<u>Transferred From</u>	<u>New Position</u>	<u>Commence Duty on</u>
I'ANSON, L.	Parramatta C.T.S.	Dep. Supt. St. Heliers	29/1/1971
MONAGHAN, D.	Supt. Brush Farm	Supt. Parramatta	29/1/1971
VALENTINE, P.	Fairfield D.O.	Rel. Dep. Supt. Parramatta	18/1/1971

Please advise those officers who are currently placed at Parramatta Girls' Training School of the date of their transfer. Officers who have not submitted furniture inventories and removal quotations should expedite their submission. It would be appreciated if, where possible, officers would liaise with other officers who are to be transferred regarding removalists from whom quotes are obtained. Officers might also advise of tentative dates on which it would be suitable for their furniture and belongings to be moved.
