#	Question	Answer
19	ROSH, Harm Or Neglect Issues: On 20/03/2012 CIE spent a few hours with respite worker Royce UNKNOWN (through Interchange Respite Care Service). When CIE returned from respite CIE disclosed he was sexually assaulted by respite worker Royce. Royce took CIE riding bicycles in the community.	Details in comments

When CIE returned from respite CIE appeared stressed and anxious.

CIE has diagnosed autism and is non-verbal (uses QWERTY key board to communicate).

CIE said to the REDACT (using the QWERTY keyboard) "I want you to come with me next time"

REDACT asked why

CIE said "Royce touched my willy he has got form because he has done this before"

REDACT asked when

said "I met Royce at Disability Trust at afterschool care and he did it there as well"

REDACT asked how many times

CIE said "lots of time"

REDACT asked "why didn't you tell me about it"

CIE said "I thought it was my fault because I got aroused but I didn't want him to do it"

Contactor stated that CIE is high functioning physically, doesn't need self care help in the bathroom.

REDACT has reported matter to the police. CIE has provided written statement to police.

REDACT has advised Interchange Respite Care Provider Shoal Haven that she no longer wants worker Royce (unknown if the REDACT has advised the service about the allegation). REDACT very protective, no further contact between CIE and POI.

The REDACT hasn't advised respite worker Royce's other work places.

On 22/03/2012 ADHC psychologist will complete home visit to support CIE given his emotional state.

AOD: No

MH: CIE has behavioural issues related to autism diagnosis, challenging behaviours, violence, obsession with water, no previous sexualised behaviours.

NOTE: REDACTED a month ago and met POI Royce who was subsequently employed at Focus (Disability Support Service). Royce works for the three disability support agencies and had no previous known allegations of offences against children.

20	Child/Children/Young Person/s's Behaviour	Details in comments
