5/4/2012 I contacted the POI, Royce COMBER on his mobile and informed him that allegations had been made against him by a male child he has had care of. He was informed that the allegations are of indecent assault by touching the s/c on the penis and making the child touch him.

.
I also informed him that I had been in contact with Interchange, Disability Trust and Focas Disability. The POI supplied another employee's details being Nelke WILLOW, [REDACTED]. I agreed to allow the POI to inform WILLOW when he returns her son, the client he had with him, Laurence at 3pm and I would ring her after this.

5/4/2012 I contacted Janet BUNDY from Interchange [REDACTED], Ryan KIDDLE from Disability Trust [REDACTED] and informed them of the disclosures from the s/c in his interviews. Both informed that the POI will be suspended immediately from their services.

.
I also contacted Focus Disability [REDACTED] to speak to Cecile SULLIVAN however only a message was left with Cameron STEWART (a worker) for Cecile to call me back.

.
1.20pm Cecile SULLIVAN contacted me and I updated her on the outcome of the s/c interview.
