Dear Minister *Lo Po'*

Attached is correspondence from EAN [redacted]
EAN

EAN [redacted] has written regarding her son DFB [redacted] who attends Trinity Grammar at Summer Hill.

She indicates DOCS contacted the school to explain their son was a 'risk' to other boys at school and living in the boarding house.

EAN [redacted] also believes that DOCS has sought DFB [redacted] removal from school until the Ashfield Joint Initiative Taskforce headed by Ms Cheryl McDuff completes an investigation. EAN [redacted] has informed me that she and her husband are unaware of the allegations just as the School is also unaware.

EAN [redacted] states that this policy of DOCS is highly unusual and inappropriate and seeks information on the powers of DOCS which justify such action.

Your urgent consideration of the matters raised is sought and I look forward to your reply.

Yours faithfully

Jeff Hunter MP
