Title: CONTACT WITH AJF
Note Type: GENERAL
Applies To: NEWMAN, ROGER JOHN, P1025
Details:

NEWMAN reports speaking to AJF after locating him at Centrelink Palmerston with assistance of ex Police Tracker Angus ?.

AJF stated that he has been having troubles and has spent some time in Cowdy Ward as a result of his past. At this time he does not wish to pursue any action against Donald HENDERSON, but may change his mind in the future.

I advised him that I would provide him with the contact phone number of AJD in Perth if he wished to speak to him about it as AJD said that he would like to talk to AJF about the past at Retta Dixon.

I also advised that I would be able to provide counselling for him in relation to any past problems associated with HENDERSON or any other person.

AJF stated that he would like AJD's phone number and details re counselling. Said that I would arrange same and leave contacts for him at his home address.
