STATES—

I live at the Betta Dixon Home in a cottage with AJC

AKB AJX AJY my brother REDACTED and some girls. The cottage parents are Mr & Mrs POWELL.

Last Saturday night I went to bed about 9 p.m. in my bedroom. REDACTED and AJX sleep in the same room as me. When I'm in bed I wear pyjamas and cover myself with a sheet. The three of us were all in bed and we hadn't been in bed long when Mr POWELL came in. The lights were out when he came in and it was dark. He never put the lights on but he sat on my bed and asked me if I was sorry for all the things I had done wrong. He talked for about half an hour to me then he pulled my sheet back and then he put his hand inside my pyjama pants and played with my thing. He pulled it up and down for quite a while and then he took my right hand and put it on his thing. He held my hand there for a while. His thing was big and stiff. Then I pulled my hand away and he went over to REDACTED.

Before he started pulling my thing, he hugged and kissed me and asked me if I liked his kissing me.
