Hi Rabbi LESCHES.

The purpose of the statement is in relation to obtaining evidence and to assess if the evidence is sufficient to put HAYMAN before the courts in relation to these allegations. If it was established that sufficient evidence was obtained this evidence may be produced at court. Police do not release statements to the media or general public.

I believe the information you have is very important to this investigation.

Regards

Hi,

Before proceeding, I'd appreciate some additional information on the scope of this request; what the statement will be used for; and if the statement is strictly for internal police use only or if it has the possibility of being released to the media and/or general public.

Thank you.

Hello Rabbi LESCHES

I am Detective Sergeant Michael Morrall of Bondi Detectives. I am currently investigating allegations of child abuse within the Jewish Community in the Eastern Suburbs of Sydney. As a result of these investigations I am aware that you know Daniel HAYMAN (GUG). I would like to obtain a statement from you in relation to your knowledge of HAYMAN and what was reported to you about him and the subsequent conversations you had with him.

Could you reply to me in relation to my above request. On receipt of you dealings with HAYMAN I will draft this in to a statement for you.
