P/C from Geoff Newcombe, AIS. Stated he had a meeting with the new Head of Agency for Knox - Mr Peter Weekes. Stated that Mr Weekes had reviewed this file & was a bit concerned given PSOA position within the school. Discussion re. evidence available i.e. child unwilling to participate in investigation, risk assessment & judgments made by Graham Wilson on his view & presentation of PSOA at interview. Geoff Newcombe informed me that Martin Gooding (Knox) also at meeting & mentioned a prior matter involving PSOA of inappropriate contact with a child in 1984 when PSOA was Head of Boarding. Apparently, no paper work exists.

Action: - ① Geoff to send me additional letter that Head of Knox will forward to PSOA re. monitoring.

File note ② Geoff to ask Martin Gooding to write a letter re. prior matter & forward copy to me. I indicated to let school know it may constitute a new allegation.
