Dear Ms Noble

RE: OMBUDSMAN'S OFFICE REFERENCE : C/2009/2155

I refer to my previous submission of Form A regarding possible reportable conduct of **ARH** **ARH** a member of the staff of **School 1** in which he may have engaged whilst employed by another school, and in which he is alleged to have engaged in at this school.

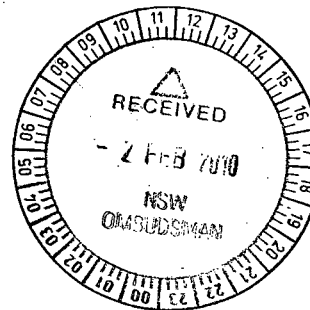

The School has commissioned an external investigation into these allegations, and my final findings, together with Form B relating to this matter, are enclosed herewith.

I am most grateful for the assistance and advice which **School 1** and the external investigator have received thus far in this matter.

Yours sincerely
